

Carthew Corporation Pty Ltd

Environment Policy

Carthew Corporation Pty Ltd is committed to preservation of the Environment for the future generations and carrying out business in a sustainable way.

Carthew Corporation Pty Ltd will focus our efforts on:

- Achieving continuous improvement in environmental practices
- Meeting and exceeding legal requirements
- Improving management of material and energy flows to reduce their impact on the environment
- Prevent pollution
- Reducing waste
- Favouring materials re-use before recycling, and recycling before land filling
- Training our people to make them aware of their responsibilities at work and their impact on the environment
- Becoming a model in environmental stewardship for its clients and partners.

Dated this 5th day of February 2007

Roger Carthew
Managing Director, Carthew Corporation Pty Ltd
